Mr. Henry Goldsmith,
315 West 115th Street,
New York.

Dear Sir:

Your membership card, duly filled out, has been received, and I will see that it is presented at the next meeting of our Council. There is no question but that you will be elected a member of our Society.

Thank you very much for your kind thought of us in promising to look over your collection with the idea of finding some item suitable of presentation to our Society. It is in just this way that our collection in the past years has grown to be of considerable importance. We owe a great deal to the kindly thought and generosity of our members.

Thanking you again very much, I remain,

Yours very truly,

President.
